

IMPORTANT NOTICE ABOUT YOUR ACCOUNTS

Farmers and Merchants Bank is preparing for an important system upgrade that is designed to serve you better through improved technology, enhanced security, and more convenient features. This upgrade also allows us to streamline future improvements, helping us continue to meet your banking needs more efficiently. Most of this upgrade happens behind the scenes, but some services will be impacted.

Here’s what customers should know ahead of time:

PRODUCT & FEE UPDATES

- Some account products will be updated or consolidated.
- Changes to fees, including safe deposit box fees, will take effect after the upgrade.

STATEMENT CHANGES

- Statements will be formatted differently after the upgrade.
- All statements will be generated on the last day of each month moving forward.
- Zero-balance statements will no longer be issued
- Statement printing will transition from in-house to an outsourced provider.

ONLINE & MOBILE BANKING REMINDERS

- Customers using Online and Mobile Banking will undergo a one-time security verification when they log in for the first time after the upgrade.
- Online and Mobile Banking users will also need to accept a new Online Banking Agreement.
- Some Online and Mobile Banking features will change.
- Deposit slip images will not convert from the old system.
