

## YOUR F&M BANK MOBILE APP JUST GOT AN UPGRADE

We have made helpful improvements to the F&M Bank mobile app that are designed to make everyday banking easier and more convenient.

To access these new features, customers should update the F&M Bank AL mobile app from the [Apple App Store](#) or [Google Play Store](#). Once updated, customers should be able access additional features, including:

- Enroll in digital banking directly from the app
- Resetting a password within the app
- View account statements and transaction history
- Search transactions by date, deposits, or withdrawals
- Schedule payments and manage internal and external transfers
- Turn eStatements on or off
- Request stop payments from the app

These updates are part of our ongoing commitment to provide secure, easy-to-use banking tools wherever you are. Many familiar features customers already use remain available, with added convenience through the updated app. For additional questions and assistance, give us a call or visit your [nearest branch](#).
